the family of god j c ryle 1878 the whole family in heaven and earth ephesians 3 15 reader look at the words which form the title of this tract and ponder them well they are words which ought to stir some feelings in our minds at any time and especially at christmas there lives not the man or woman on earth who is not a member of some family the poorest as well as the richest has his kith and kin and can tell you something of his family family gatherings at christmas we all know are very common thousands of firesides are crowded then if at no other time of the year the young man in town snatches a few days from business and takes a run down to the old folks at home the young woman gets a short holiday and comes to visit her father and mother brothers and sisters meet for a few hours parents and children look one another in the face how much there is to talk about how many questions to be asked how many interesting things to be told happy indeed is that fireside which sees gathered round it at christmas the whole family family gatherings at christmas are natural and right and good i approve them with all my heart it does me good to see them kept up they are one of the very few pleasant things which have survived the fall of man next to the grace of god i see no principle which unites people so much in this sinful world as family feeling community of blood is a most powerful tie i have often observed that people will stand up for their relations merely because they are their relations and refuse to hear a word against them even when they have no sympathy with their tastes and ways anything which helps to keep up family feeling ought to be commended it is a wise thing when it can be done to gather together at christmas the whole family family gatherings nevertheless are often sorrowful things it would be strange indeed in such a world as this if they were not few are the family circles which do not show gaps

and vacant places as years pass away changes and deaths make sad havoc as time goes on thoughts will rise up within us as we grow older about faces and voices no longer with us which no christmas merriment can entirely keep down when the younger members of the family have once begun to shift for themselves and launch forth into the world the old heads may long survive the scattering of the nest but after a certain time it seldom happens that you see together the whole family

as christianity in africa is witnessing an unprecedeted growth in membership the author argues that in order to sustain its momentous growth and deepen the faith particularly among catholics the church needs to acculturate an african model that resonates with africans religiosity cultural consciousness and worldview the author contends that the model of the church as the extended family of god is best suited for an african ecclesiology and deepening the faith of african christians

leroy lawson answers questions as he considers what happens when one becomes a part of the body of christ he discusses what it means to become involved with other believers with the work of the church five part set including book

in his original design god made mankind in his image after his likeness he purposed for mankind to be and to live as his image on the earth where he placed us but man s failures and disobedience to god s ordinances brought sin into the world and much chaos into the family the family is under siege today more than ever before various winds are attacking while many others are trying to help yet only few if any turn wholeheartedly towards the mastermind and creator of the family for answers the family of god is an effort to highlight the building blocks issued out of scriptures which god has provided as blueprint as well as remedy for the family in crisis it is a thorough yet not exhaustive examination of scriptures to encourage every family to turn to god and to trust him as the author and finisher of our life s journey the one who is able to keep us from falling and who gives us the victory you may use this book as a resource for personal or small group study and family devotion to dive deeper in your study of the word of god may you find strength and encouragement for you and for your family amen

our divine parent traces the metaphorical theme of god s burgeoning family that spans the entire bible the family of god is a place of being belonging and becoming and relationship with the triune god as divine parent is characteristic of value and dignity provision and protection transformation and maturation purpose and calling not merely a series of events relegated to the past the family of god is an ongoing present phenomenon a salvation relationship into which god invites all peoples to be adopted redeemed children of god

and god created man in his image in the image of god created he him male and female created he them genesis 1 27 the concept of family had its origin with god at the very beginning when he created man for god had an important purpose for the family to fulfill indeed he will use the family of god the church to defeat his enemy satan and hence god s enemy is pouring out his fury to destroy the family thank god through the redemptive work of christ we christians are to have our families restored to god s original purpose this short series of messages delivered by the author before a gathering of god s people in washington dc beginning in september 1974 is therefore being published as a way of helping christian believers elsewhere to see and carry out god s purpose for the family may the lord bless all who read the pages of this volume
